REGIONAL BOARD OF TRADE

*A picture is worth a thousand words*

The Stettler Regional Board of Trade & Community Development wants to influence more travelers to stop and spend their dollars in the community while also promoting local shopping to our very own Stettlerites. By showcasing your company on our Business Wall travelers, locals, and potential new-comers will be better informed and therefore more tempted to stop for an ice cream cone, buy that special dress, visit the museum, or pick up groceries or supplies all at local businesses.

The initial fee covers your annually renewed place on the Business Wall and the cost of having a professional photography capture your business, products, or you as well as formatting and mounting of the photo.

Renewal Fee: \$100.00 + GST

New Business Fee: \$130.00 + GST (this includes a professional photo and mount)
